## OBJECTIVE

I am an Information Technology graduate transitioning to frontend development with a strong foundation in technical problem-solving and a keen eye for detail. With expertise in HTML, CSS, JavaScript, and frontend frameworks like React, I am passionate about creating responsive, user-friendly interfaces that enhance user experience. I am seeking a role where I can apply my technical skills, creativity, and understanding of modern web design principles to build engaging, high-performance applications that drive user engagement and satisfaction.
